Coalition for Kids, Incorporated

Johnson City, Tennessee 37601

Dear Mr. Swecker:

The Tennessee Department of Human Services Audit Services (TDHS) staff conducted an on-site unannounced monitoring review of the Child and Adult Care Food Program (CACFP) at Coalition for Kids, Inc. (Sponsor), Application Agreement 00-221, on May 25, 2017.

We reviewed the Sponsor's records of reimbursements and expenditures for April 2017 for the At-Risk Program, and for July 2017 for the Independent Center at the Sponsor's location on August 16, 2017.

All the information was received to complete the review on August 17, 2017. The purpose of this review was to determine if the Sponsor complied with the *Title 7 of the Code of Federal Regulations* (CFR) applicable parts, application agreement, and applicable Federal and State regulations.

Based on our review of the Sponsor's records and information provided, the Sponsor had four At-Risk after school feeding sites operating during the test month of April 2017. We selected the Liberty Bell site as the sample site. In addition, July 2017 was selected as the test month for the review of the child care center, Coalition for Kids, Inc.

Background

CACFP sponsors utilize meal count sheets to record the number of meals served for breakfast, lunch and supplement meals served. Meals served by participating Sponsors must meet the minimum guidelines set by the United States Department of Agriculture (USDA) and TDHS to be eligible for reimbursement. The CACFP Sponsor reports the number of meals served through the TDHS Tennessee Information Payment System (TIPS) to seek reimbursement. We inspected meal count sheets for our test period and reconciled the meals claimed to the meals reported as served for each meal service. We also assessed compliance with civil rights

requirements. We observed a snack meal service at Liberty Bell site on April 19, 2017, and a lunch meal service at Coalition for Kids, Inc. site on July 20, 2017.

At-Risk Program

Our review of the Sponsor's records for the At-Risk Program for the month of April 2017 disclosed the following:

1. Menus did not contain all required components, as required by USDA

Condition

A lunch/supper meal consists of one serving of meat or meat alternate, two servings of fruit and/or vegetables, one serving of bread/grains, and one serving of fluid milk. A supplement meal consists of one serving of two of the meal components including meat or meat alternate, fruit and/or vegetable, bread or grain or fluid milk. The menus provided for the Coalition for Kids, Liberty Bell site, indicated the following:

Date	Menu Item and Reason for Disallowance	Meal Type	Meals disallowed
4/4/17	Peaches & jello - no recipe	Supper	6
4/7/17	Assorted Snacks - not all choices meet components	Supplement	11
4/10/17	Peaches & jello - no recipe	Supper	5
4/13/17	Peaches & jello - no recipe	Supper	4
4/10/17	Chocolate pudding - not creditable	Supplement	12
4/11/17	Popcorn-not creditable	Supplement	6
4/13/17	Assorted snacks - not all choices meet components	Supplement	9
4/18/27	Peaches & jello - no recipe	Supper	5
4/21/17	Assorted snacks-not all choices meet components	Supplement	12
4/24/17	Peaches & jello - no recipe	Supper	12
4/27/17	Peaches & jello - no recipe	Supper	5
4/28/17	Assorted snacks - not all choices meet components	Supplement	12

As a result, 62 supplements and 37 supper meals served were disallowed. (See Exhibit A)

Criteria

Title 7 of the Code of Federal Regulations, Section 226.17a (I) states, "Meal pattern requirements for at-risk afterschool snacks and at-risk afterschool meals. At-risk afterschool snacks must meet the meal pattern requirements for snacks in §226.20(b)(6) and/or (c)(4); at-risk afterschool meals must meet the meal pattern requirements for meals in §226.20(b)(6) and/or (c)(1), (c)(2), or (c)(3)."

Recommendation

The Sponsor should ensure that the menus contain all required meal components, as required by USDA.

Independent Center

Our review of the Sponsor's records for the Independent Center for the month of July 2017 disclosed the following:

- 1. The number of participants reported in the free, reduced, and paid categories was incorrect**

Condition

Our review of the applications on file for July 2017 disclosed the following:

- There were three participants that were incorrectly classified as reduced-price on the application. These participants were reclassified as free.
- There was one participant whose application was classified as free, but the application did not have an adult signature on the application. This participant was reclassified as paid.
- There were two participants that were classified as free on their applications but did not have a Families First case number or certificate that would qualify them as free on the applications. In addition, there was no household income listed on the application. These participants were reclassified as paid.
- There were two participants that were classified as reduced-price on their applications and one participant that was classified as free on their application but did not have the adults Social Security number (last four digits required) documented. These participants were reclassified as paid.
- There was one participant that did not have a current CACFP application on file and was reported in the free category. This participant was reclassified as paid.
- There were two participants that were classified as free on their applications but did not have the determining official's signature and date. There was one participant that was not classified on their application and also did not have the determining official's date. These participants were reclassified as paid.
- There was one participant over reported in the free category, one participant over reported in the reduced-price category, and two participants underreported in the paid categories.

Adjustment in the free, reduced-price, and paid categories were made. (See Exhibit)

Criteria

Title 7 of the *Code of Federal Regulations*, Section 226.10 (c) states, "Claims for Reimbursement shall report information in accordance with the financial management system established by the State agency, and in sufficient detail to justify the reimbursement claimed and to enable the State agency to provide the final Report of the Child and Adult Care Food Program (FNS 44) required under §226.7(d). In submitting a Claim for Reimbursement, each institution shall certify that the claim is correct and that records are available to support that claim."

Recommendation

The Sponsor should ensure that all Child and Adult Care Food Program applications are complete and that all participants are correctly classified.

2. Menus did not contain all required components, as required by USDA

There were two lunch menus that were missing the milk component. Milk is a required component for a creditable lunch. The menus for Coalition for Kids, Inc. child care center indicated the following:

Date	Reason	Meal	Meals Disallowed
7/5/17	The menu listed: grape PB&J (2), carrot stixs, mixed fruit cup, WG bread and sea salt chips. No milk documented on the menu.	Lunch	127 lunches
7/26/17	The menu listed: grape or strawberry PB&J (2), cucumber or celery stixs, sliced apples, WG bread, kettle or white cheddar popcorn. No milk documented on the menu.	Lunch	125 lunches

As a result, 252 lunch meals served were disallowed. (See Exhibit B)

Criteria

Title 7 of the *Code of Federal Regulations*, Section 226.17a (I) states, in part, "Each child care center participating in the Program shall claim only the meal types specified in its approved application in accordance with the meal pattern requirements specified in §226.20."

Recommendation

The Sponsor should ensure that the menus contain all required meal components, as required by USDA.

Disallowed Meals Cost

The disallowance of meals for menu errors at the Liberty Bell site resulted in disallowed meal costs of \$178.75.

Menu errors and the incorrect reporting of free, reduced-price and paid participants at the Coalition for Kids site resulted in disallowed meal costs of \$1,385.32.

Based on our review, we determined that the Sponsor's noncompliance with the applicable Federal and State regulations that govern the CACFP resulted in disallowed meals cost of \$1,564.07.

APPEAL PROCEDURES FOR CHILD AND ADULT CARE INSTITUTIONS AND SPONSORING AGENCIES

Appeal Procedures

1. Pursuant to 7 CFR §226.6(k)(4), the TN Department of Human Services (TDHS) must provide administrative review procedures to institutions and responsible principals and responsible individuals as follows:

- (a) Annually to all institutions;
- (b) To an institution and to each responsible principal and responsible individual when the State agency takes any action subject to an administrative review as described in 7 CFR §226.6(k)(2); and
- (c) Any other time upon request.

2. Pursuant to 7 CFR 226.6(k)(3) and (k)(9), some administrative actions are not subject to administrative review. Those actions are listed in paragraph 2.(a). Other administrative actions may be administratively appealed. Those actions are listed in paragraph 2.(b) and (c). All institutions and sponsoring agencies may appeal any adverse administrative action listed in paragraph 2.(b) which are taken by the TDHS by requesting a fair hearing to appear in person to refute the action, or by requesting a review of written information in lieu of a fair hearing.

(a) Pursuant to 7 CFR Part 226.6 (k)(3) TDHS is prohibited from offering administrative reviews of the following actions:

- (i) FNS decisions on claim deadline exceptions and requests for upward adjustments to a claim.
- (ii) Determination of serious deficiency.
- (iii) State agency determination that corrective action is inadequate.
- (iv) Disqualification and placement on State agency list and National disqualified list.
- (v) Termination.
- (vi) State agency or FNS decision regarding removal from the National disqualified list.
- (vii) State agency's refusal to consider an application submitted by an institution or facility on the National disqualified list.

(b) Pursuant to 7 CFR Part 226.6(k)(9), an abbreviated appeal process is available for the following actions. TDHS must limit the administrative review to a review of written submissions by the TDHS and institutions or sponsoring agencies concerning the accuracy of the State agency's determination if the application was denied, or the State agency proposes to terminate the institution's agreement because:

- (viii) The information submitted on the application was false;
- (ix) The institution, one of its sponsored facilities, or one of the principals of the institution or its facilities is on the national disqualified list;
- (x) The institution, one of its sponsored facilities, or one of the principals of the institution or its facilities is ineligible to participate in any other publicly funded program by reason of violation of the requirements of the program;

Appeal Procedures for Child and Adult Care Food Program-Institutions
Revised March 2017

- (xi) The institution, one of its sponsored facilities, or one of the principals of the institution or its facilities has been convicted for any activity that indicates a lack of business integrity;

(c) Administrative review is also available if the State agency notifies the institution and responsible principal or responsible individual of the following actions: proposed disqualification of a responsible principal or responsible individual, denial of a budget, denial of a line item within a budget, downward adjustment of the amount approved in a budget, suspension of an institution's participation, denial of start-up or expansion funds, denial of a request for advanced payment, recovery of an advance in excess of a claim, denial of a claim for reimbursement (except for late submission), decision not to forward an exception request for payment of a late claim, overpayment demand, denial of a new or renewing institution's application for participation, denial of sponsored facility application, notice of proposed termination, claim denial, claim deadline exceptions and requests for upward adjustments to a claim, or any other action affecting an institutions participation or claim for payment.

3. All appeal requests must be presented in writing to the TDHS Division of Appeals and Hearings not later than 15 calendar days after the date the institution or sponsoring agency receives the notice of adverse administrative action.
4. The date of an institution's or sponsoring agency's receipt of a notice of suspension and/or proposed termination and disqualification will be governed by the federal regulation at 7 CFR Part 226.2. The notice must specify the action being proposed or taken and the basis for the action, and is considered to be received by the institution or day care home when it is delivered, sent by facsimile, or sent by email. If the notice is undeliverable, it is considered to be received by the institution, responsible principal or responsible individual, or day care home five days after being sent to the addressee's last known mailing address, facsimile number, or email address.
5. The TDHS Division of Appeals and Hearings will acknowledge the receipt of the appeal request within 10 calendar days of the receipt of the institution's or sponsoring agency's request for review. The written request for review should state if a fair hearing is requested or if a review of written information in lieu of a fair hearing is requested. If the appeal request from the institution or sponsoring agency does not specifically request a hearing, a review of written information in lieu of a hearing will occur. If a fair hearing is requested and the institution or sponsoring agency's representative fails to appear, the right to a personal appearance is waived.
6. If an institution or sponsoring agency does not request a fair hearing or a review of written information in lieu of the hearing within 15 calendar days from the date the institution or sponsoring agency receives a Notice of Proposed Termination, the TDHS will issue a letter advising the institution or sponsoring agency that it is terminated from the CACFP effective on the 16th calendar day following the institution's or sponsoring agency's receipt of the notice, and that the responsible principals and individuals of the institution or sponsoring agency are disqualified from participation.
7. To be considered for a fair hearing or for a review of written information in lieu of a fair

hearing, all written documents must be submitted to the TDHS Division of Appeals and Hearings not later than 30 days after receipt of the notice of adverse administrative action.

8. The action of the TDHS must remain in effect during the administrative review. The effect of this requirement on particular actions by TDHS is as follows:

(i) *Overpayment demand.* During the period of the administrative review, TDHS is prohibited from taking action to collect or offset the overpayment. However TDHS must assess interest beginning with the initial demand for remittance of the overpayment and continuing through the period of administrative review unless the administrative review official overturns the TDHS's action.

(ii) *Recovery of advances.* During the administrative review, TDHS must continue its efforts to recover advances in excess of the claim for reimbursement for the applicable period. The recovery may be through a demand for full repayment or an adjustment of subsequent payments.

(iii) *Program payments.* The availability of Program payments during an administrative review of the denial of a new institution's application, denial of a renewing institution's application, proposed termination of a participating institution's agreement, and suspension of an institution are addressed in paragraphs (c)(1)(iii)(D), (c)(2)(iii)(D), (c)(3)(iii)(D), (c)(5)(i)(D), and (c)(5)(ii)(E), respectively, of 7 CFR §226.6.

9. The institution or sponsoring agency must refute the charges contained in the notice during the fair hearing or in the written information that is provided in lieu of the hearing.

10. The institution and the responsible principals and responsible individuals may retain legal counsel, or may be represented by another person.

11. If a fair hearing is requested, the institution or sponsoring agency will be notified in writing of the time, date and place of the fair hearing at least 10 calendar days in advance.

12. Any information which supports an adverse administrative action taken by the TDHS shall be available to the institution or sponsoring agency for inspection from the date of the receipt of the request for a fair hearing or a review of written information in lieu of the hearing.

13. In accordance with 7 CFR Part 226.6 (k)(8), the TDHS Division of Appeals and Hearings must conduct the administrative review of the proposed disqualification of the responsible principals and responsible individuals as part of the administrative review of the application denial, proposed termination, and/or proposed disqualification of the institution with which the responsible principals or responsible individuals are associated. However, at the administrative review official's discretion, separate administrative reviews may be held if the institution does not request an administrative review or if either the institution or the responsible principal or responsible individual demonstrates that their interests conflict.

14. The procedures contained in the Uniform Administrative Procedures Act found at TCA 4-5-301 et seq. shall be followed in rendering a decision on all appeals. The decision of the hearing officer is the final administrative determination to be afforded to the institution or sponsoring agency, and shall be rendered in a timely manner not to exceed 60 calendar days from the date of the receipt of the request for a fair hearing.

15. The processing limits for administrative appeals MUST be met. In the event a continuance is requested by a party, one continuance may be granted at the Hearing Official's discretion. This

Appeal Procedures for Child and Adult Care Food Program-Institutions
Revised March 2017

continuance shall not be for a period longer than ten (10) calendar days unless there are exceptional circumstances. Exceptional circumstances must be detailed in the order of continuance and the order must contain a date certain for the hearing, to be set as soon as possible. A report of pending CACFP desk review and fair hearing requests will be generated and reviewed daily by the Clerk's Office and the Legal Director for Appeals and Hearings who will monitor the dates for timeliness. In the event a decision has not been rendered within forty-five (45) calendar days of the date of receipt of the request for fair hearing or desk review, the Legal Director for Appeals and Hearings or their back-up shall notify the hearing official to take appropriate action.

16. All requests for a fair hearing or for a review of written information in lieu of a hearing must be submitted to:

Division of Appeals and Hearings

Nashville, TN 37219-8996
Fax: (615) 248-7013 or (866) 355-6136
E-mail: AppealsClerksOffice.DHS@tn.gov

17. If a termination action is upheld by the hearing officer, the TDHS will issue a letter to the institution or sponsoring agency and its responsible principals and individuals advising that the termination and disqualification are effective on the date of the ruling issued by the hearing officer. The agency maintains searchable records of all administrative reviews and their dispositions for a period of five (5) years.

18. As required by 7 CFR Part 226.6 (c)(7), each disqualified institution, sponsoring agency, principal and individual will be placed on the National Disqualified List maintained by the U.S. Department of Agriculture (USDA). Once included on the National Disqualified List, an institution, sponsoring agency, principal and individual shall remain on the list until such time as the USDA, in consultation with the TDHS, determines that the serious deficiencies that led to their placement on the list have been corrected, or until seven years have elapsed since they were disqualified from participation. However, if the institution, sponsoring agency, principal or individual has failed to repay debts owed under the program, they will remain on the list until the debt has been paid.
